## CURRENT WORK

- Roofing work continues at the atrium
- Slab on grade prep for the atrium is almost complete with the pour scheduled for Friday morning
- The Tennessee Wings of Liberty signage has been installed at the main entrance

At this stage, the public is able to see the reality of the renderings everyone has seen up to this point!

# JOBSITE RECAP

- 1) Tile work in the bathrooms has begun
- 2) The sanitary water line has been installed and tied into the Ft. Campbell utilities
- 3) Wire from the new transformer is being pulled into the building
- 4) The air handler units that will be serving the lobby and main exhibit hall have been set
